

Cash Bids

The new website now offers a mobile-friendly cash bids feature that has advanced, customizable views available through drop-down filters, visible on both your computer and phone.

To view, navigate to the full cash bids page on your site. A link to the bid page can be found on the home page. Next to the Futures column, in blue, click on **‘View cash bids.’ (Image 1).**

An alternate path would be under the grain section across the header, select **‘Cash bids’** in the drop down menu to access **(Image 2).**

Selecting Location and Commodity

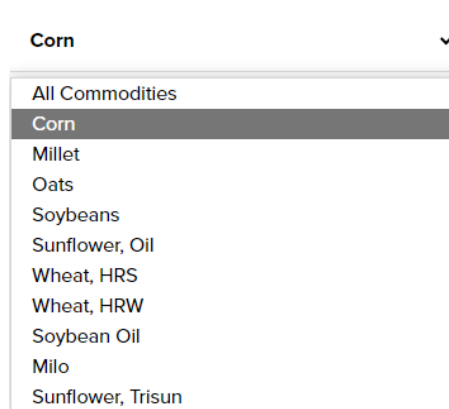

Using the drop down menu, select your town name to get the latest bids for your area **(Image 3).**

Right under the location option, drop down the commodity that you would like to view **(Image 4).**

(Image 3)

(Image 4)

Default view shows all locations and all commodities, but you can easily customize your view. The component is set up to remember your last view on a device. It will show that same view the next time you access the cash bids page on that device.

There is an option to view all commodities* at once or one at a time **(Image 5)**.

Locations are grouped by delivery month vertically to more easily view on mobile screens.

	Cash Price	Delivery	Month	Futures	Basis	Change
Selby	\$4.04	Oct 2023	@C3Z	478'6	-0.75	0'4
Selby	\$4.04	Nov 2023	@C3Z	478'6	-0.75	0'4

**All grain prices are subject to change at any time. Cash bids are based on 10-minute delayed futures prices, unless otherwise noted.*

Viewing grain pricing trends

Once a commodity and location have been selected, there is an option to view cash price, 3 year average cash price, basis and 3 year avg basis all in one view. **(Image 6)**. To view this feature, click on the **'charts'** icon on the far right of the delivery column you desire **(Image 7)**.
